Mississippi, the modification of license of WCLD-FM may be made without considering competing expressions of interest or demonstrating the availability of an additional equivalent or higher class channel at Cleveland, in accordance with Section 1.420(g)(3) of the FCC's Rules.

RCI hereby restates its present intention to promptly apply for a construction permit and, when granted, to expeditiously construct upgraded facilities for WCLD-FM on Channel 280C3 at Cleveland, Mississippi. The proposed substitution of Channel 280C3 for Channel 280A at Cleveland, Mississippi, can be accomplished in full compliance with the FCC's minimum spacing requirements, provided the vacant Channel 280A allotment at Ebenezer, Mississippi, is deleted. The previous permittee of Channel 280A at Ebenezer stated that Ebenezer, with a population of 100 people, cannot feasibly support a new FM station in light of current economic conditions.
